TRI-C STUDENTS NEED YOUR SUPPORT TODAY!

Please consider making a donation to the Tri-C Foundation to support scholarships for student success by April 30, 2010. Together we can grow our economy, one student at a time.

With a record number of more than 30,000 students enrolled at Tri-C this Fall, students need your support now more than ever.

- Most students work one or two jobs while attending classes, and therefore may not be eligible for state and federal financial assistance.
- Many are adult learners who are also raising families, making it even more difficult to pay for tuition and related educational expenses.
- Many are laid-off workers seeking retraining.
- 85 percent of Tri-C graduates remain in the area, providing a pool of skilled workers who are our workforce of tomorrow.

Your donation for scholarships will make a difference!

Thank you for selecting me to receive a scholarship. I am very thankful for your faith in me as a student and for your generosity. With your help, I am accomplishing my dream of becoming a Physician Assistant.

— Susan Rojo,
Physician Assisting

Tri-C is a wonderful resource for education that goes beyond the workplace, helping me cultivate personal goals too. Being awarded a scholarship is not only an honor, but it will continue to open doors for me throughout my professional and personal journeys. Thank you!

— Angela Parsons,
Business Management

I want to thank you for awarding me with this scholarship. What you have done for me is more than just award a scholarship. You have also given me a boost in my morale, and I am even more excited to achieve my goals!

— Marco Cazares,
Emergency Medical Technology
